CANDIDATE STATEMENT:

I have actively engaged and supported PECG activities during my 29 years with Caltrans. I currently serve as Vice President At Large for PECG Sacramento Section. Furthermore, I strongly believe in the collective bargaining system.

If elected as President Elect, I will use my passion, professional experience and dedication to serve and support the entire Sacramento Section. Together we can develop PECG to become an organization that provides fair and reasonable benefits for all our members, protect our current members' rights and preserve our pride as professional engineers.

Please vote for me, Andrew Tan. I will not let you down. With your support, we can make PECG an organization that we can be proud of and that truly believes in the integrity to serve the public and its members.
