CANDIDATE STATEMENT

FOR PECG SACRAMENTO SECTION OFFICE
2019 ELECTION

NAME: Tillat Satter

YEAR: **2019-2020**

CANDIDATE FOR: **President Elect**

WORK EXPERIENCE: I have been with Caltrans for 29 years in the Division of Engineering Services. During all this time, I had been a Bridge Designer, Construction Engineer, Signs and Overhead Structures Specialist and currently working as a Barrier and Sound Walls Specialist.
When Northridge Earthquake hit California in 1994, I volunteered and spent one year rebuilding bridges in the Los Angeles area. When our Country needed help in fighting the Al-Qaida in Afghanistan, I volunteered and spent year 2010 with the U.S Army in Afghanistan. It was a very risky job and I placed my life in harm's way so that my brothers and sisters can sleep peacefully in their homes here.

CANDIDATE STATEMENT:

These are still tumultuous times, full of challenges and opportunities. For those to be navigated successfully, we need a special kind of leadership: one that unites, energizes, and executes in the service of our collective identity and legacy. In this context, I pledge to dedicate my time and energy to work closely with you and the PECG staff to serve the Engineering and related professionals.

By electing me, you will not only get that strong voice, but you will get a person dedicated to representing the best interest of our members. I appreciate your vote for President Elect and look forward to serving you into the next year.
