

**CANDIDATE STATEMENT
FOR PECG SACRAMENTO SECTION OFFICE
2019 ELECTION**

NAME: AIMAN W. MALAK

YEAR: 2019-2020

CANDIDATE FOR: VICE PRESIDENT AT LARGE

WORK EXPERIENCE: I have been with Caltrans since 2005, currently Working for Office of Design and Technical Services for last 10 years. I have two years of Structure Construction Experience and two years working for Structure Office Engineer writing Special Provisions.

PECG EXPERIENCE:

I have been a member of PECG since I joined Caltrans in 2005. I have been following up on PECG initiatives and am appreciative of them.

CLASSIFICATION: Transportation Engineer Civil

DEPARTMENT: California State Department of Transportation (Caltrans)

WORK LOCATION: Division of Engineering Services, FMP-1, 1801 30TH Street, Sacramento, CA 95816.

YEARS OF STATE SERVICE: 13+ Years.

PROFESSIONAL ORGANIZATIONS & COMMUNITY ACTIVITIES:

Member of PECG Sacramento section since 2005
Volunteering with Structural Engineers Institute, ASCE, 2019
Event planning member of church- retreat 2019
Provided engineering / technical support for building infrastructure for church

CANDIDATE STATEMENT:

As the Vice-President At Large, I will conduct myself with integrity and dignity in accordance to the demands by the office. I will assure that non-Caltrans members are informed about Section business and well represented through open communications. I will be available for the members to get in touch with me and be a liaison between members and PECG. I will make sure everybody's opinion is heard.

I kindly request you to vote for me as the Vice-President At Large of PECG Sacramento Section for the term of 2019 - 2020.
