Transpiration Engineer. Working at Caltrans in Division of Engineering Services, Structure Design Services & EQE

PECG EXPERIENCE:

Director for Sacramento Section, President, President Elect, Membership Committee, VP At Large, Outreach Committee Legislative Committee, Secretary

CLASSIFICATION: Transportation Engineer

DEPARTMENT: Caltrans

WORK LOCATION: Sacramento

YEARS OF STATE SERVICE: 28

CANDIDATE STATEMENT:

I am truly honored to be running for the Sacramento Section as your Secretary.

Thank you for opening up your minds and your hearts, for seeing the possibility of what we could do together for our PECG Sacramento Section and for helping us bring our Section to new heights and prosperity. I am profoundly grateful to all of you for voting for me and giving me the chance to serve you.

I will do everything I can to be worthy of your faith and trust. I promise you that I will overcome all obstacles to bring progress to our Sacramento Section.

Over the past 20 years I have volunteered with PECG in a variety of officer positions. Three times as President Elect, President and Director, Membership Committee Member, VP At Large, Outreach Committee Member, Legislative committee Member and Secretary.

I am also very active with our community, I have held several offices in different nonprofit organizations over the years, including representing my subdivision in fundraisers for the American Heart Association, (I am a top fundraiser for many years), mentoring high school and college students, recruiting graduate Engineers to come and work for Caltrans, and I have been directly involved with the science fair and community STEM nights for Middle School.

With your vote behind me I will be honored to serve you as Secretary for the Sacramento Section.

Thank you for your time and consideration
