

**New Year Greetings from Section President: 2016 Year of the Monkey**

2016 is the Year of the Monkey according to the Chinese zodiac: Luna New Year is on Feb. 8. The monkey is known as a smart, clever and creative animal, it is usually compared to smart, witty and intelligent person, is known to have a magnetic personality and be a hard worker. We too are working hard for our members, wisely and intelligently. Your officers have started working hard on section businesses. If possible I would like to see all members in our section working hard together to make a for a better organization. My best wishes to all section members, may every happiness be yours throughout the year!
